MATERIAL SAFETY DATA SHEET

Revision Number: 1.0
Revision Date: August 12, 2015

Identification

Product name: QuikTest Bioscreen
CAS Number: N/A
Catalog number: 1670-0350-01

ATTENTION: Safety Officer

Research International has evaluated all of its products to ensure compliance with OSHA regulations. Per section 1910.1200 of Title 29 CFR and latest amendment to 67/548/EEC, the following listed substances (components of the QuikTest Bioscreen powder screening test kit, Product Number: 1670-0350-01) do not require a material safety data sheet (MSDS). The chemical, physical, and toxicological properties of these products may not, as yet, have been thoroughly investigated. Therefore, we recommend the use of gloves, lab coats, and eye protection when working with these or any chemical reagents. Research International assumes no liability for damage resulting from handling or contact with these products.

Substance Number	Description	Qty
GB 102A	Test Solution	1
GB 102B	pH Test Swab	1
GB 103A	Protein Control Swab	1

The above information is correct to the best of our knowledge. Users should make independent decisions regarding completeness of the information based on all sources available. Research International, Inc. shall not be held liable for any damage resulting from handling or contact with the above product.
